FOR IMMEDIATE RELEASE

RAMP CLOSURE EXTENDED ON I-15 AT SR-18 (PALMDALE ROAD)

Victorville – Caltrans is continuing ramp work on State Route 18 (Palmdale Road) at Interstate 15 in Victorville. For public safety, the southbound exit ramp closure will be extended through Thursday, March 30th at 6:00 p.m. when the signals will be fully operational.

The new ramp will be realigned and widened with a new concrete and asphalt surface. It will have two left-turn lanes and two right-turn lanes with new signals. The \$780,000 improvement project to realign the ramp and add new signals began on November 28, 2005. The project is expected to be complete by early May 2006.

Caltrans would like to thank the community and motorists for their patience during the project. For additional information on Caltrans roadwork, please go to our website at www.dot.ca.gov/dist8 and go to "Press Releases". You may also call our Public Affairs office at (909) 383-4631.
